

Hex+ 20mm Pedal Extender Kit

Part# 4030628

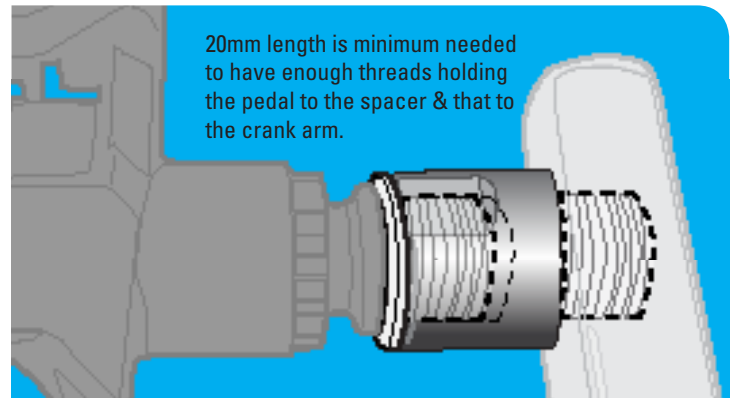

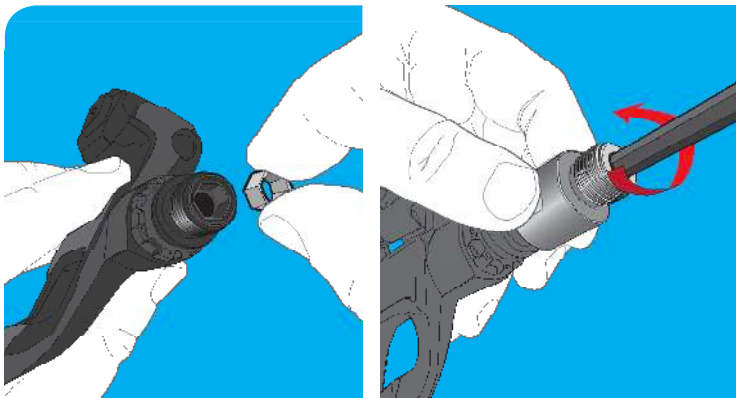

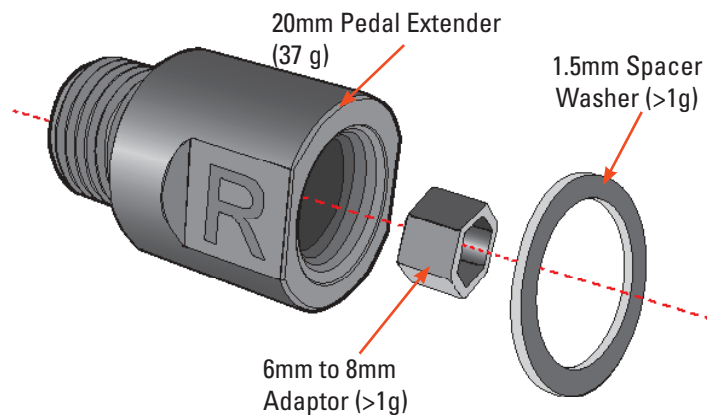

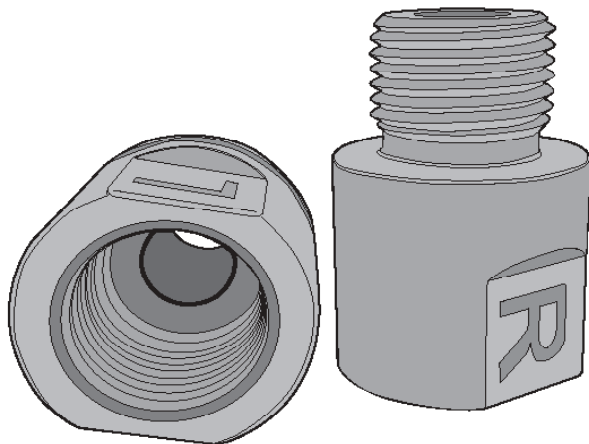

Used for added stance width

Hollow pedal extenders are designed to improve cycling stance width by helping to align ankle, knee and hip. Pair comes with 6mm to 8mm hex key adaptor and 1.5mm spacer washers. Uses standard 9/16" pedal threads. Not for use with carbon fiber crank arms. Maximum rider weight is 275 lbs / 125 kg. Not compatible with Look Keo Sprint/Easy.

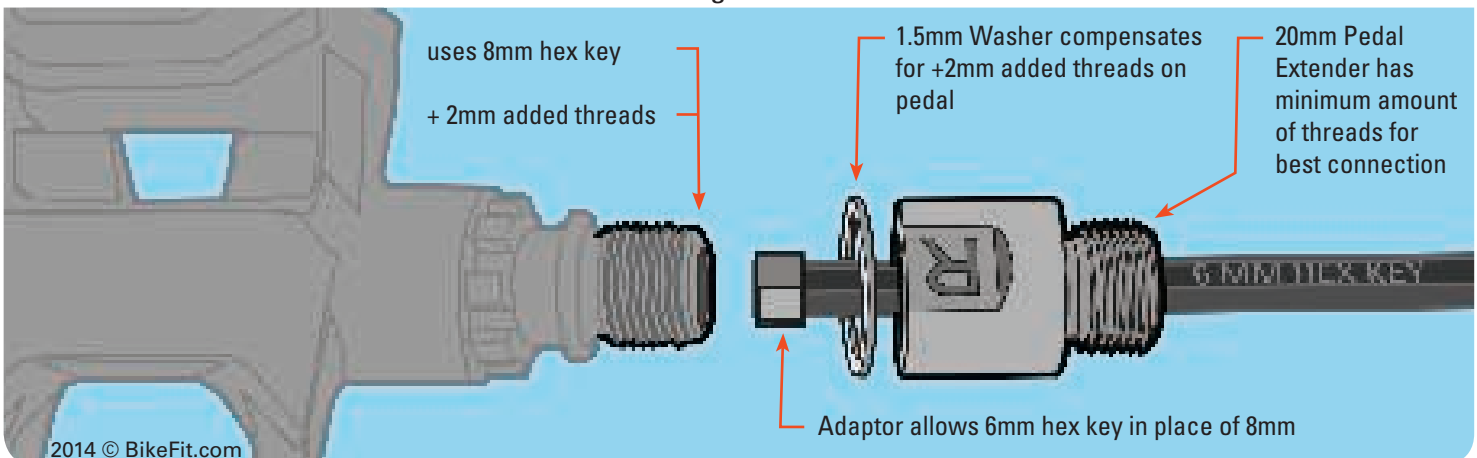

1 pair includes:

- 20mm thru-hole extenders
- 6mm to 8mm adaptors
- 1.5mm Spacer Washers

MSRP **\$49.95**

SPECIAL CONSIDERATIONS: Look Kéo - now with a longer axle
